Rosedale, MD 21237

## Ultaire™ AKP

TUITION & CE: Complimentary • 2 CE Credits (*issued by Friendship Dental Lab*)

PROGRAM TITLE: High Performance Polymer In A Digital Workflow: What Can It Do For You?

### PROGRAM DESCRIPTION:

Jim will cover the benefits of high-performance polymers & explain why they are so critical to healthcare & the dental industry in particular. He will also discuss:

- Design differences between high-performance polymer & metal frameworks
- How these differences impact the digital workflow
- Processing techniques for high-performance polymer frameworks
- What these appliances can do for the patient

### FEATURED SPEAKER

**Jim Collis, C.D.T.**

Jim Collis, C.D.T. has been a practicing laboratory technician for 30+ years. His Chicago laboratory, Collis Prosthodontic Laboratory, specializes in high quality, removable prosthodontic appliances. A visiting instructor at Harvard School of Dental Medicine, Jim also taught at Northwestern University Dental School for ten years. He is a frequent contributor to industry publications.
